A Family of Faith,  
Glorifying God  
by Reaching Out to Others,  
Sharing the Good News

**To Our Visitors:** Welcome! You are our honored guests! Please fill out a visitor's card located on the back of the pews and place it in the collection plate.

Before the worship service, please check your cellular phones and other electronic devices to ensure they will not disrupt our time of worship.

### Trunk or Treat

This past Friday night was our annual Trunk or Treat event here at Belmont. Every year, we gather together to eat chili and hand out candy to the costumed kids. This event is a great opportunity to invite friends, neighbors, and family to Belmont and enjoy an evening of food, fun, and fellowship together. This allows us to get to know each other better and to meet with visitors that come to Trunk or Treat in a comfortable environment. These events can be important ways for the community to get to know the members of Belmont Church of Christ.

I would like to thank all of those who brought food and provided trunks with candy for the evening's festivities. We could not put on events like this without all the helping hands provided by the Belmont members. I would like to offer a special thanks to Joe and Christine Hampton and my wife, Kristy, for putting in a lot of extra work to provide the decorations and activities for the evening.

If you missed it this year, make plans to be there next time!

– Shane Bowen

**Helping Those in Need** – Please continue to fill the boxes with items for the homeless and others in need. We are collecting winter clothing and backpacks in addition to the other items listed on the bulletin board. Thank you for helping others.

**Young Adult and Singles Class** – We’ve wrapping up our first adult class that is wrapped around the discussion of the book, “Cure for the Common Life” by Max Lucado. The book has been a great source to the bible and has brought a whole new light into how we can relate our daily lives to scripture. Thanks to all who have attended the class and we hope that you will continue to come for the second book. For those of you that have not attended class, our next book will be “Fearless,” also by Max Lucado. We will start the new book next Sunday. If there is a different book that you would like to look at please bring your ideas to the class so we can make a decision and purchase the books at least a week before the scheduled start date. This class is open to all and I would encourage everyone to attend so we can have a more well rounded discussion.

**Focus Group** – The members of the Focus Group are Joe Hampton, Ted Taylor, Fergus Lloyd, Kim Eric, and Samantha Dougan. Please send any of the members your thoughts and suggestions, and they will discuss in detail at the next meeting. **The Greenwoods** – The test results from Mike’s MRI, CT scan, PET scan and X-rays were all good. The proton radiation treatment did its job well. There is still a small spot remaining, which could either be lymphoma or just simply inflammation from the radiation treatments. The doctors want to move to the next stage and have him receive the stem cell transplant from his older brother within about two weeks. The transplant should take care of any residual cancer cells. So Mike and Yin-Fong will be residents of Houston for a season and then they will return. They send thanks everyone for the care, concern and the prayers to the Lord of all on their behalf.
