A Family of Faith,  
Glorifying God  
by Reaching Out to Others,  
Sharing the Good News

**To Our Visitors:** Welcome! You are our honored guests! Please fill out a visitor's card located on the back of the pews and place it in the collection plate.

Before the worship service, please check your cellular phones and other electronic devices to ensure they will not disrupt our time of worship.

### Salvation

The gospel message is outlined clearly in Romans 6:22-23. There is one way to receive forgiveness for sin and eternal life...through Jesus Christ.

"But now you are free from the power of sin and have become slaves of God. Now you do those things that lead to holiness and result in eternal life. For the wages of sin is death, but the free gift of God is eternal life through Christ Jesus our Lord."

God's plan of salvation for the world does not involve any striving or work on our part. Romans 10:8 explains that salvation is within our reach...it comes from simple faith in the person of Jesus.

"Salvation that comes from trusting Christ, which is the message we preach, is already within easy reach. In fact, the scriptures say: The message is close at hand; it is on your lips and in your heart."

Today's speaker wants to share this message to a large world and we as fellow Christians should also share that same dream.

**Thanks to Drivers** – Many THANKS to all the drivers providing transportation for other members. This transportation includes bringing people to Church services, taking them to medical appointments, to buy groceries, or to run other errands. Some of you have been doing this without fanfare for years. Others have responded to our recent request for drivers. No matter how long you have been doing it, thank you so much to all the drivers providing this needed transportation. May God Bless You for your efforts.

**Update on Mike Greenwood** – There is no mass in Mike's lungs. A recent chest X-ray indicated either an infection, or inflammation from previous radiation treatment. The pulmonary expert was to have done lung biopsy on Friday (Jan 29) to determine what it is and will treat it accordingly. Mike's lymphoma doctor is not overly concerned about it.

Even though his blood counts are still low, Mike feels stronger and better each day. His medicines have been reduced in dosage over time. He continues to eat well and is exercising more. He walks, climbs stairs and even went for an hour-long yoga class recently!

Amelia and Sophia are doing fine. Thank you for the cards and phone calls of encouragement! We miss you all and hope to be back in your midst soon.
